

The Piccinini Team Backs the Pack!

The Nevada Wolf Pack and The Piccinini Team of New American Funding introduced a multi-year relationship in which the locally based company becomes the newest corporate supporter of the Wolf Pack.

The agreement marks the first time the Wolf Pack welcomes a “Preferred Mortgage Lender” to its corporate partner family, and it signifies a first-ever collegiate corporate sponsorship for The Piccinini Team. At the core of The Piccinini Team-Wolf Pack partnership will be a commitment to community, an important component for The Piccinini Team of New American Funding.

As part of its new Wolf Pack relationship, The Piccinini Team of New American Funding is rolling out an exclusive discounted rate plan that is available to university employees, and Wolf Pack students and alumni. The Piccinini Team in Reno is fully associated with New American Funding, which is headquartered in Tustin, California but has local branches all throughout the U.S.

Our investment in the relationship with our clients is everything. We don't treat you like a number. We have local processing and underwriting which makes for a seamless process. We service 99% of our loans which means that you do not have to worry about your loan being sold after closing. We are dedicated to maintaining a relationship with you even after closing.

➤ **.25% of loan amount credit towards closing costs. For example: on a loan amount of 400k, .25% would be \$1000 lender credit towards your costs at closing.**

➤ **Preferred pricing on all interest rates.**

**Incentive does not apply when using community assistant programs as rates and fees are determined by the organization.

*“We’re grateful for the support of **The Piccinini Team** of New American Funding and excited for all the possibilities of aligning these two brands. We want to thank them for their commitment to the **Wolf Pack**, and we look forward to the next few years of working together,”*
